

PUBLIC MEETING NOTICE

Regarding Lach Dennis Church

Sunday 21st January 2024
at 10.am
Lach Dennis Village Hall

The Lach Dennis church has been closed for a few months now due to structural concerns. A surveyor has now carried some investigations and reported that the church needs underpinning.

The necessary works will cost around £30,000 plus incidentals. This could rise if other problems occur.

There will be a short meeting after the Church Service in the Lach Dennis Village Hall on Sunday 21st January for members of the community and surrounding area residents to voice their thoughts and feelings on how to proceed. The Church Service in the Village Hall starts at 9.00am and usually ends around 10.am.
